- The Waiting Room allows you to place a personally sponsored Partner into a holding pattern for 24 hours before having to specifically place them into your downline. A new Partner in the waiting room who is NOT placed within 24 hours will be auto-placed.
- A person can only maintain 1 position in Paid 2 Save.

- Each month, before monthly matrix pay residual income is calculated, compression takes place and you are paid on that volume.

Charge Backs

- When a Partner receives an advanced commission on any sale, they are subject to a charge back of any unearned commissions if the transaction is refunded or disputed. Chargebacks will be deducted from any future commission checks until charge backs are relieved. Cancellation

- Any Partner may cancel by email (support@paid2savenetwork.com) within 3 days of the date of enrollment. Because of the digital product and commission structure this policy is strictly enforced. Once approved it may take up to 10 days for refund to processed.
